

Ranking

This information forms part of the product disclosure statement dated 15 August 2018 (PDS) which relates to an offer of the Multi-currency Cash Passport by Traveler Card Services Limited (TCSL).

The Multi-currency Cash Passport constitutes unsecured, unsubordinated obligations of TCSL. On a liquidation of TCSL, amounts owing to holders of the Multi-currency Cash Passport rank equally with all other unsecured, unsubordinated obligations of TCSL.

Apart from the Trust Account arrangements described in the PDS, there are no limitations on TCSL's ability to create further liabilities in the Trust Deed (also described in the PDS) or otherwise that rank equally with, or in priority to, the Multi-currency Cash Passport in a liquidation of TCSL.

The ranking of the Multi-currency Cash Passport based upon a liquidation of TCSL is summarised in the below diagram.

* Under the Trust Account arrangement discussed in the PDS, an amount equal to this amount (as determined by reference to the net balance standing to all prepaid cards issued on the previous day), is required to be held in trust for the benefit of Mastercard in respect of amounts owing to holders of all prepaid cards (including the Multi-currency Cash Passport). If the Trust Account arrangements operate as intended, the amount held on trust for the benefit of holders of Mastercard branded prepaid cards issued by TCSL should always be sufficient to discharge TCSL's liabilities to those holders.
